

Decal Dynasty Wraps & Graphics

One vehicle wrap can generate between 5,000—10,000 impressions daily. The average company traveled 250 miles in the past 7 days.

Studies effectively show vehicle graphics make name recognition more than 15 times greater.

Having a full color vehicle wrap on your company vehicles says a lot about your business. It tells your prospective clients that you care about your image and your up to date.

Why Wrap?

According to 3M (a prominent vinyl substrate provider) a company would need to spend \$60,000 in advertising dollars to produce the same effect of a \$3,000 vehicle wrap.

You own the advertising space so use it! How would you like to own a billboard? Well you do, get your vehicle wrapped it's a moving billboard.

Keep in mind this type of advertising is not like radio, print, or television. It can not be turned off.
